Hi Susmita and Brian,

Sorry folks, I did not mean that we needed to do anything now (Brian was clear in his voicemail on that) – I just wanted to make Susmita was aware that we did actually receive the information from FHWA on last Friday (as I forgot to “cc” her when I sent the email to others.)

Okay. Please let me know if something does come up. Tim – feel free to give me a call after your review of the project information just received if you want to discuss.

I don't think there is anything we need to do this week. I'll also be out next week, returning 1/5 (but reachable).

Thanks Susmita. I left Tim a voicemail with the update last week. Please let me know if you need any assistance this week. I'm planning to be out starting on Friday and will return on January 3 after the holidays.

Thanks, Tim. I left Brian a voicemail about my conversation with Meghan. He can fill you in on the details, but we should be able to correct the status when we file our "final briefs," i.e., with cites to the joint appendix, in mid-January.
